

WORDS

These words these words these words these Words.

These inky black oil of desire words

These searing red hornet sting words

These gentle coarse tan pony fur words

These brittle auburn autumn crisp words

These words, these words, these words, these Words.

These faintly drying brown reed Chinese character words

These oaken royal blue and white fleur de lys words

These white-washed white up and down in and out fluffy cloud white words

These words, these words, these words, these Words.

These spring grass summer palm tree green smells delicious words

These paint splotching pumpkin pie surreal and strange orange words

These end of the rainbow African wild fragrant violent violet words

These ancient velvet clothing smooth and sticky indigo words

These words, these words, these words, these Words.

These running a mile a minute through my weary head can't sleep words

These caught on my tongue cat got your what can't speak words

These spouting profusely too freely philosophy words

Oh these words, these words, these WORDS!
